We're a freight forwarder using software, human expertise, and exceptional service to seamlessly move cargo between Mexico and USA

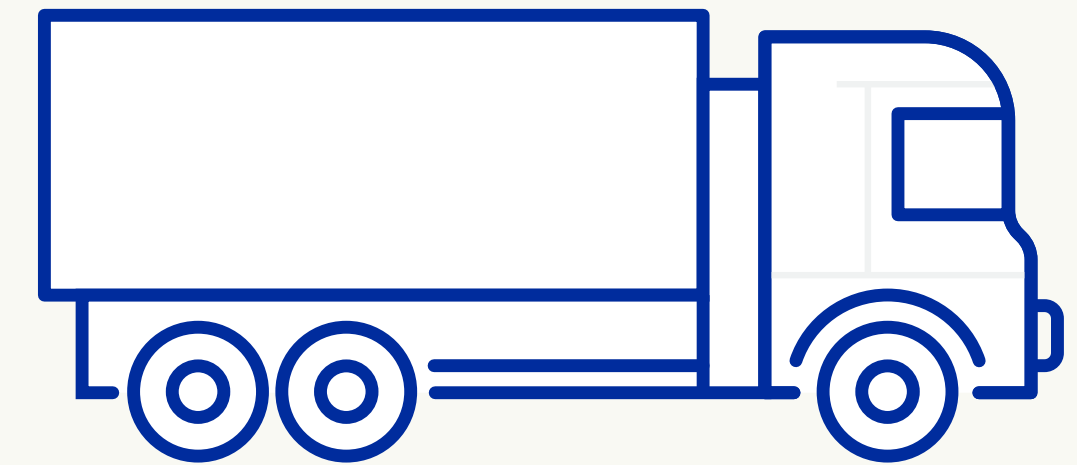

- ✓ Real-time shipment tracking
- ✓ Door-to-door service, including customs
- ✓ A trusted & vetted network of carriers
- ✓ Centralize documents & communications

Our team brings a rare combination to bring Mexico-US shippers the best possible service

Our Thesis

1. Mexico is now the United States' biggest trade partner
2. Venture capital and tech talent are flowing into both Logistics & Latin America like never before

\$800bn

Value of goods moved between
Mexico + USA annually

60%+

Freight moved via road from
Mexico to USA annually

\$5bn+

VC invested in both logistics &
LatAm in the past decade

Work with us!

- Moving Mexico <-> USA freight?
- Partner with us on either side of the US/Mexico border?
- Integrate with us directly via API?
